Topic: The darkness is thriving – Part 14

Bible Reading: Genesis 1:1-8

Do not trust in futile things

Today, the majority of people in the world put their trust in futile things that cannot deliver them, or give them Salvation. Humans rely on the vanities of this world rather than God. Inasmuch as futile things can only exist for only a limited period of time, and vanities are limited to this terrestrial ball called earth; why not put your trust in Almighty God the Creator of the whole universe? It is important to note that anyone who puts his or her trust in worthless things will become worthless in the presence of the heavens.

Do not be deceived, because whoever trusts in vanity or futility will be rewarded with futility. People who depend on emptiness have been led astray from the righteous path, and such people will be recompensed with futility, unless they retrace their steps. Trusting in useless things is fooling yourself, and you will get nothing tangible in return. Those who trust in uncertain riches are deceiving themselves; because money and perishable things will be their reward. Remember that whoever invests in lies, deceits and fraud will get lies and deceits as interest.

The scripture attested to this fact by saying, “Let him not trust in futile *things*, deceiving himself, for futility will be his reward.” **Job 15:31**. It is for this reason that corruption and immorality is flourishing in the world. You need to realize that injustice and doing what is wrong will not make you prosper. Therefore, abstain from bribery and greediness that cannot make God delighted in you. The homes built through bribery will not stand long or be established, and people without God can produce nothing eternal. With this knowledge that trusting in vanity will get you nowhere; why not trust the Lord and be blessed?

Never consume your day in futility

Nowadays, most people do not believe in the wonderful and extraordinary works of God; in spite of the physical evidence or proofs that abound on earth. Numerous people in the world do not rely on God, or adhere to Him to perform miracles in their lives; instead, they depend on their smartness, prowess, and connections to achieve their goals. Are you one of those who rely on their financial capability to succeed? Do you trust your skills rather than miracles? Do you allow your exceptional talent or educational background lead you astray? Do you trust in the marvelous and wondrous works of God?

Do you believe in the amazing power of God? You must cease living a sinful lifestyle; if you do not want your life to waste away. Do not refuse to believe in miracles of God; if you want to experience the awesome power of the Lord that can transform your existence. You must abstain from futility and turn to the unstoppable power of God that can give you redemption. Numerous people throughout the world are dying prematurely and mysteriously due to reliance on vanities. Most people are dying untimely death; because they consume their days in emptiness and futility.

We pray that you will not use your years in terror and sudden disaster. You will not end your days on earth without meaning or purpose. You will not live a terrified life and your life will not be cut short, in Jesus' name; according to the Bible passage which says, "In spite of this they still sinned, and did not believe in His wondrous works. Therefore, their days He consumed in futility, and their years in fear." **Psalms 78:32-33**. Stick to God, if you do not want your days to vanish like a breath, or spend your years in trouble. We pray that your life will not end in failure. You will have good things and legacies to show for your existence in this world, in Jesus' name.
