Topic: The darkness is thriving – Part 15

Bible Reading: Genesis 1:1-8

The false prophets and pastors

Countless pastors are giving fake messages throughout the world, and they are leading Christians astray in droves. Numerous prophets are giving false prophecies in the name of the Lord on the Television networks, Radio Stations and on the social media; whereas, God did not send them. The economic situation of the world and the thirst for fame is making many priests give incorrect and deceitful messages. It is a common occurrence throughout the globe for pastors to tell lies claiming they are inspired by the Lord or they speak for God. Most of the prophets are not recognized by the heavens, and God did not choose them to be His prophets; still, they hope that their fake messages will come true.

Most pastors who are giving misleading messages profess or confess that they are ordained by the Lord; yet the majority of their preachings or teachings contradict the scriptures. Are you one of those who give deceptive messages, but expect them to be fulfilled? Are they giving false visions in your church? Do you believe those whose predictions are lies? Are they fantasizing comforting illusions in your church? Do you think that your pastors are preaching lying sermons? Are they teaching funny and carnal things, instead of the real scripture in your church? The Bible attested to this fact by saying, “They have envisioned futility and false divination, saying, ‘Thus says the Lord!’ But the Lord has not sent them; yet they hope that the word may be confirmed” **Ezekiel 13:6**. Stop believing the fake pastors on the social media that the Lord never sends on errands to mankind.

Christians will be delivered: God is ready to deliver the Beloved from the hands of those who are giving fake messages. The Lord is prepared to rescue the Christians from the clutches of those giving false prophecies. We need to realize and understand that most pastors or prophets are making things up out of their heads, and they are calling it prophesying.

Without any doubt, you will be rescued from the control and power of false prophecy; if you surrender your life to God. The scripture confirmed this fact by saying, "Therefore you shall no longer envision futility nor practice divination; for I will deliver My people out of your hand, and you shall know that I *am* the Lord." **Ezekiel 13:23**. You must rely solely on God in order to be delivered.

Judgment of false prophets: God will be against all the pastors and the prophets who are delivering deceptive messages throughout the world. The Lord will turn against the prophets who see delusive visions and give lying prophecies that are leading the Christians astray. The Lord will punish the pastors and prophets who have false visions, and make misleading predictions that are adversely affecting Christendom. God will wield His power against the pastors whose goals are to deliberately misinterpret the scripture for their own benefits, or to suit their purpose. Are they substituting illusions for visions in your church?

Do you think your teachers are teaching contrary doctrines? Are they using sermons to tell lies in your church? Do not be deceived, the false pastors and prophets will not escape punishment, and they will not be counted as children of God. The Bible corroborated this fact by saying, "My hand will be against the prophets who envision futility and who divine lies; they shall not be in the assembly of My people, nor be written in the record of the house of Israel, nor shall they enter into the land of Israel. Then you shall know that I *am* the Lord God." **Ezekiel 13:9**. Do not give false messages if you do not want to be banished from the community of the Beloved.
